RE: The Year Ahead: Journal Article Submissions in 2024/25

My Dearest Vaska,

Congratulations on your appointment to Associate Professor at Freeman College of Management (Bucknell University). I have been meaning to reach out to you personally to arrange a Zoom call in order for us to discuss the possibility of collaborating on one or more jointly published manuscripts in the year ahead.

The purpose of this letter is to understand which courses and modules you are planning ahead for at your institution and which topics you may find valuable conducting research on. My current commitment is as a taught postgraduate student with interests in Human Resource Management, Organizational Studies and Transformational Leadership.

My theory is that you may have some interest in preparing conference papers or non-published manuscripts which you may find useful in the early-stages of your research career at Freeman College. Please feel free to reach out to me via WhatsApp on +44 (0) 7940 916 731 or through the above e-mail at the Faculty of Business and Law at Open University if you would like to prompt a call or schedule a more formal discussion and I will be happy to acquiesce.

Warm Regards,

Alfred Anate Mayaki (Student)
